

Kiran Ajay Tirmale | Software Engineer

kirantirmale2362001@gmail.com | +91 9607128284 | Location: Pune, Nigdi, Maharashtra, India

Summary

I am a recent graduate with a Bachelor's degree in Computer Applications (BCA) and am currently pursuing a Master's in Computer Applications (MCA). As a highly skilled MERN stack developer, I have hands-on experience in designing, developing, and maintaining web applications using modern web technologies. In addition to my core expertise in React.js, Node.js, and MongoDB, I have a strong command of Advanced MS Excel, MIS Reporting, Power BI, and data visualization. I bring exceptional communication and presentation skills, making me effective in cross-functional team environments. I am immediately available and open to relocation..
